Dear Supervisors:

I am writing in support of an increase in county funding of JobPath, to be discussed at your May 4 meeting.

It is my honor to serve on the Board of Directors of JobPath. My congregation, which is part of the Pima County Interfaith Council, also supports the mission and work of JobPath.

JobPath has a proven record of helping families to achieve the American dream of productive work that pays good wages. The statistics demonstrate that JobPath's return on investment for our county is immense. Our graduates go on to reside in Pima County, pay taxes, and enhance the county's economic strength.

Funding JobPath is a win for families, for companies, and for government.

I urge you to consider the request before you. Thank you for your attention.
