Dear Pima County Board of Supervisors,

On behalf of Pima County Interfaith, we are writing to support the goal of making high-quality preschool available for all our children a reality. Your leadership is helping pave the way for achieving this goal.

We applaud your votes on February 16, 2021 directing county administration to include ten million dollars in the budget to fund scholarships for the coming 2022 fiscal year. That shows our community that now is the time to step forward and contribute to the preschool promise scholarship program. Because of your leadership, cities and towns, state agencies, businesses, public school districts, faith communities, and nonprofit organizations are likely to join the effort.

We support and encourage you to provide ongoing support for the program when you meet on May 4th. This multi-year program has the potential to become a model for similar efforts throughout the state and country.

Thank you,
Pima County Interfaith
