>> To Board of Supervisors

>> Please take immediate action to support Home Share in Pima County.

>> Home Sharing is an inexpensive and valuable option to allow single seniors to remain independent in their home, sharing it with another senior who provides help with some services such as driving or cooking and who benefits with an affordable rent.

>> This helps at least 2 people. The companionship and security from such an arrangement are beneficial to both participants and the participants' families and the community as a whole do not have to worry and pay for services for the senior.

>>

>> Thanks for taking such important action,

Ginny Geib
