Board of Supervisors: Care of the Clerk of the Board

I ask you to please support Home Share in Pima County.

Home Sharing is a much needed, economical and humane method to enable single seniors to maintain their independence in the care of a person or persons, who are willing and able to assist with necessary services such as meal preparation, transportation and affordable rent.

Essentially, this provides, much needed, security and company which prove to be beneficial to both parties and our community.

Getting old is no fun - I should know , myself being well on that road .

Please enable this win/win proposition which will transform the lives of a vulnerable group in our neighborhoods.

Thank you for your consideration in this matter.
