94768 / 00911580 / v 1

agreement for two (2) one-year periods ("Renewal Terms") by providing Contractor with sixty (60) days' advance written notice prior to the end of the Initial Term or Renewal Term.

**B. Client Group and Approved Countries:** The Client Group includes the following entities:

Client and its Affiliates (if any) in the country(ies) identified in Section I (Financial Detail) above, and any Affiliates (if applicable) as may be agreed from time to time.

The Approved Country is the United States of America.

**C. Invoicing:**

- 1) Except to the extent otherwise stated below, Client will pay the amount on each invoice in full within 30 days after the invoice date. All amounts not paid when due are subject to a late payment charge of one and one-half percent (1½%) per month or eighteen percent (18%) per annum (not to exceed the maximum allowed by applicable law) of the past due amount from the due date until the date paid.
- 2) The Ongoing Services fees billed on a monthly basis shall commence effective on the first day of the month in which the environment is made available.

**D. Currency:** All fees set forth herein are shown in USD and all payments relating to the Services shall be made in USD .

**E. Taxes:** Unless Client provides ADP a valid tax exemption or direct pay certificate, Client will pay directly, or will pay to ADP, an amount equal to all applicable taxes or similar fees levied or based on the Agreement or the Services, exclusive of taxes based on ADP's net income.

**F. Cost Reimbursement Fee:** In order for ADP to recoup certain costs associated with the Services provided under the Agreement in the event of an early termination by Client, if Client terminates Services in any country or the Agreement in whole or in part for convenience pursuant to Section 12.2(ii) of the Global Master Terms and Conditions, Client will:

- If termination occurs during the implementation of Services:
  - pay ADP for the Implementation Services at ADP's labor rates set forth in this Appendix or, if such rates for a particular Service are not set forth herein, at ADP's prevailing labor rates (and not at the set implementation price set forth in the "Financial Detail" table), and
  - reimburse ADP for any license fees or other costs incurred by ADP in connection with the Implementation Services
- If termination occurs after the Go-Live Date for the applicable Services, reimburse ADP for its costs (including unamortized investments and any costs incurred that have not been recovered from fees charged) associated with the termination of the Services as set forth in the chart below:

	Year 1	Year 2	Year 3
Percentage of Initial Estimated Client Billing Fees as of the Effective Date	25%	22%	17%

In the event new Services are added, the Cost Reimbursement Fee is subject to change.

G. **Postage, Shipping, Travel and other Out-of-Pocket Expenses:** ADP will invoice Client for postage charges, delivery charges, other third party charges incurred on behalf of Client, and reasonable travel and out-of-pocket expenses will be billed in accordance with the standards set forth in Annex Y, Travel and Expense Policy.

a) For ADP Employment Tax Services

**Tax Liability Impounding Schedule**

- All tax liabilities will be provided to ADP via reverse wire.
- Federal, state and local withholding, Social Security/Medicare (FICA) employee withholding and employer contribution, and FUTA and SUI contributions will be provided to ADP one business day prior to the associated payroll check date.
- For reverse wire clients, funds must be available by 6:00 a.m. Pacific time.

b) For ADP Wage Payment Services

**Net Pay Impounding Schedule**

- All net pay will be provided to ADP via reverse wire.
- All net pay funding will be provided to ADP two business days prior to associated payroll check date.
- For reverse wire clients, funds must be available by 6:00 a.m. Pacific time.

I. **Fee Adjustments:**

- 1) The fees set forth in this Appendix will remain fixed during the first year following the Effective Date. After the Initial Term, Client may renew the services for two (2) one year periods. During this time, ADP may increase the fees for the Services on an annual basis by 1.8% with 30 days' prior written notice.

J. **Change Control:**

In the event either party requests a change in the scope of the Services (including Implementation Services) (each a "**Change Control Item**"), the parties shall address such change request via ADP's change control process. Change Control Items and the cost associated with such changes (if any) to the Services shall be mutually agreed to by the parties, with the exception of Change Control Items that are required to be made by law or regulation applicable to the Services or to the duration of Implementation Services, which ADP will notify Client of prior to making such change.

- 1) The standard rate for a Change Control Item is \$185.00 per hour; provided, however, that such rate may be increased by ADP as follows:
  - By 50% for Change Control Items requested by Client after October 1<sup>st</sup> which ADP agrees to deliver by January 31<sup>st</sup>;
  - By 25% if, after receiving a Change Control Notice, the Client requests an expedited timeframe for completion of the Change Control Item.

- 2) **Change Control Procedure.** If a Change Control Item is requested or needed, the Parties will follow the change control procedures set forth in this Section 5.7 before ADP devotes resources, expends time or incurs costs. ADP will also notify the County in advance of any impact that a

94768 / 00911580 / v 1

Change Control Item will have to the Ongoing Services Fees, which fee impact (which impact could be upward, downward, or neutral) will also be subject to the mutual agreement of the Parties. ADP will not unreasonably request adjustment to fees, nor will the County unreasonably withhold agreement to equitable fee adjustments commensurate with the additional work effort required as a result of a Change Control Item.

“Change Control Item” means a change to the Services as defined in this Agreement (including the SOW) that is requested by County, or that is due to the discovery that information provided by the County, on which the Implementation Fees or Ongoing Service Fees was based, is incorrect, which requires ADP to devote additional resources or otherwise incur costs not contemplated by this Agreement, or that reduces ADP’s work or results in increased efficiencies. Events that may cause Change Control Items include but are not limited to the following:

- The County changes a project deliverable;
- ADP must perform additional work or devote additional resources to the project in order to mitigate the impact of a delay by the County that, if not mitigated, will cause the initial Implementation Services described to exceed 58 weeks;
- The County fails to provide an environment necessary to support ADP associates during the Implementation Services when on-site at County premises including workspace, access to printers, administrative support, and connection to the internet, unless ADP has not defined in reasonable detail the additional environmental items required to the County at least 60 days in advance of requiring these additional environmental items; and
- Any change that must be enacted in connection with Benefits Services (not due solely to ADP’s actions or omissions) in order for ADP to continue to perform the Services.

Certain Change Control Items are required in order for ADP to continue to perform the Implementation Services or the Ongoing Services, as the case may be, and such Change Control Items (each, a “Required Change Control Item”) shall not require the County’s consent, except that the fees associated with any such Required Change Control Item shall be as mutually agreed, provided that neither party may unreasonably withhold its agreement.

- 3) **Change Control Documentation.** Upon the occurrence of a Change Control Item, whether initiated by ADP or the County, ADP will deliver to the County a notice (a “**Change Control Notice**”) setting forth (i) the details of the Change Control Item, (ii) an analysis of the impact of the Change Control Item on the Implementation Services or the Ongoing Services, as applicable, including whether the Change Control Item may result in changes to expected or target completion dates, (iii) an estimate of the time, materials, and aggregate costs required to address the Change Control Item, and (iv) whether the Change Control Item is a Required Change Control Item. The County will notify ADP in writing within 10 Business Days whether or not the Change Control Item is approved as submitted. If the County does not respond to the Change Control Item within the specified period, the Change Control Item will be deemed to be rejected by the County. If the County rejects a Change Control Item, ADP may proceed to provide the Implementation Services or the Ongoing Services, as applicable, without implementing the Change Control Item or ADP may dispute the rejection of the Change Control Item. The immediately preceding three sentences will not apply to a Required Change Control Item.
- 4) **Change Control Dispute Resolution.** If ADP and the County disagree as to whether an event or request constitutes or necessitates a Change Control Item, or dispute the amount of any fee associated with that Change Control Item, the appropriate individuals for ADP and the County will meet (in person or by telephone), within five Business Days of discovery of such disagreement, and make a good faith effort to resolve the disagreement. If the parties are unable to resolve the dispute, the parties will summarize the dispute in writing and forward it to a senior executive of ADP and a senior executive (Functional Area Project Sponsor) of the County. Such executives will meet (in person or by telephone) within five Business Days of delivery of the dispute summary and make a good faith attempt to resolve the dispute. If a good faith

compromise cannot be reached at that meeting a further good faith meeting shall be convened, within 5 Business Days thereafter at which ADP's senior executive and a representative from ADP's legal department will meet (in person or by telephone) with the County's Functional Area Project Sponsor, Chief Information Officer and County legal department. If these individuals are unable to resolve the dispute, the dispute will be mediated as soon as practicable by a third-party mediator knowledgeable in software development and support and reasonably acceptable to ADP and the County. The cost of the mediation will be shared equally by ADP and the County.

**K. Application Program Maintenance, Support and Modifications:**

ADP will provide maintenance and support of the Application Programs as described in the SOW. ADP will provide the County at least one (1) year's notice before sun-setting the version of an Application Program in use by the County. During the Initial Term, ADP will not require the County to pay for an Upgrade or Update unless such Upgrade or Update is requested by the County. Any fee for the County to Upgrade or Update an Application Program will be mutually agreed through Change Control Item based on the hourly rates described in this Appendix.

The County may request modifications to the System (alteration to core system functionality, SQRs, interfaces, payroll management reports and/or ADP Reporting customizations). Such modifications will be agreed to through the Change Control procedure above. In addition to the one-time fee for ADP to develop such system modification, ADP may charge the County an annual maintenance fee for such System modification developed for the County not to exceed 15% of the total one-time fee in the Change Control Item for such modification. Such annual maintenance fee will be invoiced on a monthly basis beginning the month following the first live payroll processing utilizing such system modification.
