You do not speak for all the voters of Pima County. HR1 is a Democratic Party power grab. We know that and you know that.

You do not speak for all the voters in Pima County with respect to HR1. It's a transparent Democratic Party power grab.

Respectfully, S1and H1 are not about people, please read all of the states rights they actually take away.

I do not support this proposal and recommend against the county endorsing it.

Subject: RESOLUTION OF THE PIMA COUNTY BOARD OF SUPERVISORS SUPPORTING PASSAGE OF H.R. 1/S.1, THE "FOR THE PEOPLE ACT"

Voter ID laws are not voter suppression. You need a picture ID for almost everything – why not voting to prove who you are and it can be checked whether you live where you are voting. And you only vote once!

You are trying to make everything racist. Everything is not racist! You are being racist to state individuals cannot obtain photo identification.

I agree with your position - free and fair elections are essential to the functioning of our democracy and effective self-governance.

I also agree with this position - this is a watershed moment in American history when federal action is required to ensure free and fair elections in which all **eligible citizens** can participate. Emphasis on "eligible citizens". How else to determine if a citizen is eligible – have them produce a photo identification to verify them on the voting roles.

Felons should not vote. Why give them this privilege after they break the law!

Don't insist voting laws are racist. They aren't!!

Not just no but hell no to the HR1-S1 bills. To allow illegals and unregistered voters to vote is wrong and unconstitutional to say the least. To claim that this is a bill(s) for the people is a down right lie. It only benefits the illegal and a Democrat agenda that is on track to ruin our United States and our rights under our constitution. Vote NO NO NO NO NO NO NO!!!!!!
