Hello!

My husband and I have been living in Vail, AZ for over 35 years, both republicans. We do not support the 'We the People Act' because it is not the truth that we are racists and white supremacists, and thereby making it seem like we republicans who support our present President Trump are suppressing others from voting like you say. In reality Trump actually won the 2016 and the 2020 election by the American Patriots. Why? Because he put us hard working tax paying Americans first over the DC elites. If you want to talk about voter suppression, it's the other way around. This election was stolen from us and our President, it was bought by the DC elites, plain and simple.

Thank you,

Alex and Flis Cardieri

As a born member of the United States of America I am firmly against the passing of HR1/SR1, the "For the People Act." This act is nothing more than a power grab by the democrat left that will do irreparable harm to this nation. The lies that are being told by our politicians and passed on by our media outlets to the general public regarding what this act is truly about are nothing short of despicable. People that are in a position of power that support this bill should be ashamed of themselves. You are doing precisely the opposite of what is good and fair and right for your constituents, city, county, state and this nation as a whole by being in favor of this massive political obfuscation.

Turn from your ways and do the right, correct and truly noble thing by sending this act down in flames into the pit of political malfeasance where it belongs. Vote NO on this act.

Sincerely,
Phil Bryson

I urge you to vote NO on the resolution to support HR1 and SR 1. It is a massive takeover of our election systems by the federal government and goes against the constitutional mandate that puts states and local governments in charge of their election processes.

I OPPOSE the resolution by Matt Heinz asking to support HR1/SR1 and ask that you DO NOT APPROVE this resolution.

I am a resident of Pima County and vehemently oppose S1 because it is a radical assault on American democracy, federalism, and free speech. This name of this legislation is misleading because it helps politicians, not the people! It would undermine election security by, among other things, mandating no-excuse mail-in voting and automatic voter registration, restricting voter ID laws and voter caging, and prohibiting laws against ballot collection. Furthermore, this legislation would subvert states' rights to set election laws by mandating independent redistricting commissions, preventing states from disenfranchising felons, and setting minimum time periods states must offer early voting. Finally, the financial disclosure regulations restrict free speech rights and the small-dollar donation matching that would be allowed is wasteful spending.

For the preceding reasons, I do not believe that S1 is in the best interests of the United States and ask that you, the Board of Supervisors, DO NOT APPROVE this resolution to support HR1/SR1.

I do not support this resolution. HR1/SR1 is clearly unconstitutional and if voted into Federal law will facilitate further election fraud. The Constitution clearly assigns the responsibility to conduct elections to the States. Let's keep it that way.

This is a Stalinist type takeover of all future elections by the federal government. No voter ID, legalized ballot harvesting, makes it virtually impossible to audit future election fraud. This is atrocious & it's blatantly unconstitutional. It is astounding to watch counties, cities, and states gladly allow the federal government usurp their powers. How the hell dumb can you be?!

Supervisor Rex Scott and all the other Pima County Supervisors,
I do not support the agenda item # 30, the Resolution presented to support the US House HR.1/s.1.
The resolution states that there is a "lie" of wide spread voter fraud in the 2020 election, with out supporting fact or evidence.
I resent the terminology "racist" and " white nationalist ideology", that uses false narratives to promote socialism and communism where free speech is not allowed.
Voter ID has been used in our community in the past and does not prevent anyone from voting. A personal ID is needed for any government services.
Anyone who signs such a resolution would be in contempt of the US Constitution that assigns the process of voting to the state legislatures.
It seems the City and County have more local urgent matters to concern themselves!
Sincerely,
Barbara Scholten

Supervisors,

I do not agree with the resolution, agenda item 30.

This does not support the US Constitution and is true subversion of the US government.

The use of terms such as "racist", "white nationalist ideology," and "insurrection" are propaganda terms and tactics used to incite fear and unrest, for which you have not presented one fact!

Vote NO on this ridiculous statement.

Sincerely,

Barbara Scholten

To all County Supervisors,

I do not agree with the resolution, agenda item 30.

This statement uses inflammatory language, "racist, white nationalist ideology, and insurrection" to incite fear and unrest, without a single fact.

This statement is also subversive to the US Constitution!

I request that all Supervisors **vote No** on this ridiculous resolution.

Sincerely,

CAUTION: This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

To Pima County Board of Supervisors,

Do not pass this proposed resolution supporting HR1/SR1. Our County should never support this awful Federal Government bill. HR1/SR1 will undermine democracy by:

Making fraud easier by degrading the accuracy of registration lists, which could easily add ineligible voters, and illegal aliens. It would require our state to allow **16/17 years olds** to register to vote, combining with a ban on voter ID. There are many other reasons not to support HR1/SR1, and it's outrageous the Pima County Board of Supervisors is even considering it.

Say NO to this resolution!!!!!!!!!!!!!!
