I am letting you know I am against HR 1 & S 1. Our research shows this bill to not benefit the average citizen, but take more power of the election system to the federal level. Vote no on this legislation.

Thank you,

Do not support hr-1, as it will allow Dems to cheat in all elections! We all know Biden "won" thru fraud, Frank and Wilma Pisut

Please vote NO on HR1.

There was voter fraud in the 2020 election. Vote to enforce voter ID to prevent fraud in future elections.

Murders and illegal citizens should not be allowed to vote.

Thank you,

How dare you speak for me and support HR1/SR1? This is another steal of the people's power to have their votes count.

Do not agree to do this.

My name is K. Graziano 4510 E Golder Ranch Drive. Tucson AZ 85739
I wish to object to the addition of support for HR1 SR1 from our representatives.

These are Bills Unconstitutional and part of the desire to have a one party system.....there is another name for a one party government.....and that is not being discussed. DO NOT vote to include this support into our State resolutions.

No matter how you try to sugar coat it....these Bills are undermining the voices of the minorities in favor of Big Government and foreign influence.

Please think clearly,

K. Graziano

How dare you presume to tell the legislators that you represent me. You haven't listened, truly listened, to a large percentage of your constituents for quite some time. You could care less what I think, or whether or not I support HR/SR1. For the record, let me be clear, I DO NOT SUPPORT HR/SR1. It is a partisan pile of manure. The Whereases and Wherefore you have in your resolution are partisan arguments, based on lies and suppositions...again, nothing but partisan. The only part you have right, and you even have part of that wrong, is the inalienable right to life, liberty and the pursuit of happiness.

Dear Board of Supervisors,

Please stand together to publicly/verbally reject HR1 and remove your supporting resolution on the matter. Nothing currently being considered is conceivably more destructive to our electoral process, or would do more to strip the electoral process away from the states, which the Constitution gives exclusive purvey. The last thing we need to do is double down on institutionalizing the widespread voter fraud we just witnessed in the 2020 election, especially as legitimate, transparent, statewide efforts are being made to expose the corruption through emerging evidence. You claim HR1 will protect everyone's right to vote, but in effect, as written, and for all intents and purposes, it will achieve the complete opposite by making it that much harder to root out fraud. Many recent polls across America have shown growing support for voter ID laws for preventing fraud, and not only among the demographic group you disparage, or for the motives you assign. The people can see HR1 for what it really is...a partisan effort to enshrine one party govt in perpetuity. This is both anti-American and disingenuous. Please cease and desist all efforts to pass HR1 so that only those eligible to vote may continue to do so.

Please vote no on this resolution to support HR1/SR1. It is an unconstitutional effort to take away the states control of their own elections. Also, I don't want my tax dollars to go to the campaign of candidates i disagree with who may be located in other states. Also, the language is unnecessarily offensive and inaccurate. Do you honestly think that asking for a picture id is not racist?
