Hello,

I am writing to show my support for the building of the proposed Kino Sports & Entertainment Complex. As a young adult this is the exact thing a lot of my peers and myself are looking for.

I play ice hockey and would gladly play 5 nights a week at this complex. Not to mention the nightlife scene for roadrunner games. And the revenue that would bring in to restaurants in the area.

Please support the building of this complex. It is time Tucson is able to compete with Phoenix.

Thank you,

Philip Harlow

Clerk of the Board:

Please accept this message in support of the Kino South Sports District on the Board of Supervisors Meeting on Tuesday July 6th. I believe this is a great project for the area and will be an economic boost for the region. This in collaboration with the Tucson Marketplace helps to revitalize the area and bring opportunities to the surrounding communities.

Thank you,

Fred Narcaroti
