Good afternoon, I wanted to submit pictures from July 1997 showing the back access being in use. The pictures were given to us by the previous owners of 11141 E Quick Draw Pl.

The photos are from when the back irrigation was put in, but clearly shows the northern entrance and block wall.

Sorry my last e-mail sent before I was able to attach the second photo. Another photo from July 1997 showing back access to the property in use.

Thank you,
