Please include this as public comment for BOS 09.07.2021 Agenda Item #10

Regarding the re-allocation of \$38,155.56 of funding that was withdrawn from Arizona Bowl Sponsorship:

Could it go back into general funds? If not, here are some suggestions mentioned at last meeting that could have my support:

1. Supervisor Christy suggestion to spend on roads. There are plenty of potholes around-my 2 flat tires on Wilmot are not so pleasant reminders! I'll be happy to point out others.
2. Chair Bronson suggestion to donate to a domestic violence charity.

Supervisor Grijalva suggested Live Respect program in the schools. In researching the program, I found many references to social and racial equity, oppression, privilege and similar words that are very concerning to many parents and community members. I do not support her suggestion, particularly without a complete review and disclosure of the program objectives and activities.

Thank you.
