Do not reduce the number of justices of the peace. They have a substantial workload serving our communities. resulting in one less JP District! We understand that **Justice Doug Taylor** **Justice of the Peace in JP 5** servicing Northeast and Southeast Tucson, Vail, Corona de Tucson, and Southeast Pima County is being considered for elimination.

Of note, the numbers that Administrator Huckelberry is using are COVID numbers, where the courts were CLOSED for a few months!

Dear Clerk of the Board,

Please read my comments into the record at the Sept 21, 2021 meeting.

I am opposed to the proposal to eliminate Justice Precinct District 5.

The County Administrator is using data from a time when COVID was an issue, and courts were actually CLOSED for a few months. So the numbers are worthless. This is nothing more than an attempt to eliminate a precinct in order for the Administrator to pack the courts for his own political gain.

Please oppose the elimination of JP District 5.

Good morning and thank you for your service to the community.

I would like the board to be very mindful of the redistricting maps for the Justices of the Peace.

I prefer option one because it is a fair and balanced plan.

Thank you,  
Catalina Hall
