Subject: Public Comment - Board of Supervisors Meeting 9-21-2021

[REDACTED]

I'm a legal voting resident of Pima County Arizona. My name is Sarah Price, and I can be contacted at [REDACTED]. Please see my Agenda/Addendum Comments below. But before I address agenda items, I believe it is time the Board of Supervisors meet in public. We would like to see our BOS in action!

Agenda Item #9 Eviction Prevention Incentive

Under Arizona law, landlords have the right to evict tenants who are not meeting their obligations.. Landlords suffer too. They need to meet their financial commitments. We do not need to spend any more taxpayers dollars. The government is making very poor choices. Since the BOS passed the Item last month to buy a hotel property, why wouldn't the evicted be able to stay there instead of housing people who come in to our country illegally. We need to help our citizens first. NO on this item.

Agenda Item #14 Sun Corridor Economic Development

Yes on this item.

Thank you for your consideration.
Sarah Price.
