Dear Supervisors

I support Option 1 for Justice of the Peace maps because this option:

1. is the only option that creates a nearly equal population in each district.
2. has the best minority protection for all three minority district.
3. is the best map for Constables, reducing JP 8's huge workload.
4. creates a fair map that meets all the criteria of redistricting.
5. conveys fairness to the public and is less vulnerable to criticism or legal challenge.

Please vote for vote for equal districts.

Thank you for all you do to serve our community,
Anne Towne

Please Read this into the record

Dear Members of Pima County Board of Supervisors.

I read and reviewed the proposal to reduce the number of Judges in Pima County along with a Constable position. I was unaware of a population decrease in the county. I am also unaware of any reduced times to have legal action addressed in our county. I thought that responsive elected politicians would want to increase not decrease the responsiveness of our legal system. Either you should not be re-elected or you should increase priorities and be responsive to your constituents needs not your wants.

Do Not support this proposal.
