Following is my comment on Contract Tracing

## **ADDENDUM 1 Item #5 Employee Policy Cooperation with Contract Tracing**

Contact tracing assists in boosting more jobs, more payroll and useless paperwork. Have you read any of the science indicating we can still be contagious with the jab and the booster and the masks that don't work? Have you heard of natural immunity? Stop the nonsense Vote NO against this item.

**ADDENDUM 1 Item #5 - Employee Policy Cooperation with Contact Tracing**

This again is over the top with controlling. The more you try to control the harder it will be for the BOS. This will be very expensive to the tax payers because you will need to hire more people. **It will be almost impossible to track and control. Adamantly NO on Item.**
