Following is my comment on Covid Medical Support of Refugees

ADDENDUM 1 Item #13

SJM Premier Medical Group LLC Amendment #2 COVID -19 Medical Support Refugees

Your attached contract indicates these \$398,750.00 of medical services will be only for legal populations so how can they be assylum seekers? That identification means they are not legal yet. Who informed you that Pima County should anticipate a surge? Previously it was indicated that the Haitians did not need vaccinations or medical evaluation because they won't be here (Pima County) very long. What changed?
Defeat this extra funding Vote NO
