Dear Supervisors,

I am pleased to recommend William (Bill) J. Lake-Wright for the position of Pima County Constable, District 5. I believe that Bill's experience as a military officer, a small business owner in Pima County, and his recent experience in the Pima County Assessor's office make him an ideal fit for this position.

Bill spent nearly 20 years as a United States Air Force officer and pilot. What makes Bill special in his military career is that he enlisted after high school graduation and pursued excellence as he performed far above standards in his early assignments. Upon graduating from college, Bill was selected for Officer Training School. In that program, he excelled further, receiving a follow-on pilot training assignment. When Bill graduated from pilot training, he earned the highly coveted opportunity to become an F-16 pilot. Fresh out of fighter pilot training, Bill was one of the few pilots in his unit selected to fly Combat Air Patrol missions in the F-16 during the initial response to the attacks on the United States on September 11, 2001.

During Bill's career in the military, he also studied to become an EMT, and later trained and became a licensed Paramedic, a credential he maintained for many years, until recently when his wife became ill. Providing basic and advanced life support for those in the midst of a life-threatening emergency is something Bill truly excels at. His ability to remain calm under high pressure circumstances is a true gift.

Bill is extremely community minded, working tirelessly with the Boy Scouts of America both as a volunteer and a paid staff member over many years since receiving the Eagle Scout award as a teen. He views giving back and mentoring others as a true responsibility and privilege.

Based on my experience over the last twenty years working in government and community relations for a member of Congress and in the private sector, it is my pleasure to give Bill my highest recommendation for the position of Constable for Pima County, District 5.

Very Sincerely,

Nancy Heiser
