Following is my comment for Meeting 10-19-21

Addendum Item 3. Board of Supervisors Meeting in Person

Board of Supervisors should immediately resume meeting in person with personal choice for a mask. Personal choice for a mask but mandatory to meet in person. Consider financial penalties for those Supervisors who do not meet this requirement.

Please add these comments to the Agenda for the 10-19-21 Meeting. I am grouping two together because I feel they are related.

Addendum Item 3. Board of Supervisors Meeting in Person
Addendum Item 6. Call to the Public Rules

It is certainly a sad day when items like these need to be addressed. The job of the county supervisors is to make decisions for the county residents in a timely and serious manner. It is a disservice to county residents when the elected officials take away the ability of in-person meetings. It is a disservice to all when rules regarding slander and civil discourse even need to be discussed, much less voted on. Each supervisor and, likewise, each resident, has the responsibility to discipline him/herself. What one regards as "misinformation" someone else does not - when individuals are treated with respect, respect follows.

Please quit the quibbling and spend time on issues of importance that relate to the governing of Pima County

Addendum Item # 3 In person board of supervisors meeting.

These meetings should all be open to the public and masks should be optional for those that have a issue with them.. By closing these meetings to the public you put the thought that something is being hidden by not letting the public have some input. You work for us not the other way around. Your credibility hinges on your openness and if that isn't shown you can count on the next election not being positive to your likes.

My name is Doug Kosloske and I am a registered voter in Pima County
