Please include the following comment on the addendum for the 11/2/21 Board of Supervisors Meeting. Thank you.

COMMUNITY AND WORKFORCE DEVELOPMENT/7. Our Family Services, Inc., to provide for the Emergency Solutions Grant Homeless Prevention Program, USHUD Fund, contract amount of \$451,063.00 (CT-CR-22-126)

"Free" is not valued and awards need to be tied to individual responsibility. I see no information regarding work requirements in this award. Perhaps following a Canon City, Colorado, program where rental subsidies are tied to employment and ability to pay a small amount of rent should be something Pima County Emergency Solutions should attempt.

Following is my comment for the 11-02-21 Meeting

**Addendum Item #7 Family Services, Inc. Homeless \$451,063.00/1year**

You want to provide emergency (based on your definition) rental assistance for 20 evicted families for one year. In reality you should encourage everyone to get back to work and provide for themselves to be responsible citizens. They should pay the back rental to landlords and get off of government handouts. Instead you are providing \$22,553.15 per family for one year. This is above and beyond all the other assistance programs Pima County is already providing with our tax dollars. Vote NO on this item.
