**\*Title:**

A RESOLUTION OF THE DISTRICT BOARD OF WILDFLOWER COMMUNITY FACILITIES DISTRICT TAKING CERTAIN ACTIONS WITH REGARD TO ORGANIZATION OF THE DISTRICT; APPROVING AND AUTHORIZING THE EXECUTION AND DELIVERY OF A DEVELOPMENT AND INTERGOVERNMENTAL AGREEMENT FOR WILDFLOWER COMMUNITY FACILITIES DISTRICT AND ORDERING AND CALLING AN ELECTION WITH RESPECT TO ISSUANCE OF BONDS BY THE DISTRICT AND THE LEVY OF AN AD VALOREM PROPERTY TAX THEREFOR AND THE LEVY OF A SEPARATE AD VALOREM PROPERTY TAX ATTRIBUTABLE TO THE OPERATION AND MAINTENANCE EXPENSES OF THE DISTRICT

**\*Introduction/Background:**

Provided the Pima County Board of Supervisors approved formation of the Wildflower Community Facilities District by passing Resolution No. 2021- 78 on November 16, 2021, then the Pima County Board of Supervisors is the governing board of the District. The District consists of approximately 644.6 acres and is located south of Valencia Road just east of the Valencia and Ajo Highway intersection. Pomegranate Farms – Tucson LLC requested formation of the District so that the District could issue up to \$40 million of general obligation debt to purchase completed roads, sewer systems, parks and other public infrastructure from the developer as identified in the District's General Plan. The District would tax property owners within the District to repay the debt, operate the District, and operate and maintain the purchased infrastructure. Both the debt and the tax would be the District's and not the County's. The next step after the formation is the approval of this Development and Intergovernmental Agreement by the County, the District and the Developer. This Development and Intergovernmental Agreement identifies the eligible infrastructure, how the infrastructure could be purchased, the debt that may be issued, the tax that may be levied and the operational support that may be provided to the District by the County. Concurrent with approving this Agreement, the District is also calling for an election of District voters to authorize District tax levies and District debt.

**\*Discussion:**

This Development and Intergovernmental Agreement specifically identifies the infrastructure eligible for purchase by the District from the developer. The Wildflower CFD General Plan, including the eligible infrastructure, is consistent with the County's Comprehensive Plan. This Agreement requires the Developer to comply with both the State and County procurement requirements when designing and constructing the eligible infrastructure. This agreement defines the District's review and approval process for accepting eligible infrastructure projects and identifies the portion of the Developer's competitively procured costs that can be included in the District's acquisition price. This agreement sets a target tax rate of \$2.50 for debt service, limits the issuance of debt to only the amount that can be repaid by the target tax rate, and limits the District's payments for infrastructure to the amount of available debt proceeds. This agreement also sets an initial tax rate of \$0.30 for operation of the District and maintenance of the infrastructure acquired from the developer. The District's target debt service tax rate of \$2.50 and initial operation and maintenance tax rate of \$0.30 are comparable to the tax rates of other community facility districts formed by other Arizona governments.

**\*Conclusion:**

This Development and Intergovernmental Agreement helps ensure that the District pays competitively procured prices for acceptable infrastructure that is in line with Pima County's Comprehensive Plan. This Agreement helps ensure that the District is fiscally sound by supporting its operations with an operations and maintenance tax and only issuing debt

that can readily be repaid by the District's debt service tax. When compared with other community facilities districts, the property owners within the District will be taxed at a reasonable level. This Development Agreement contains appropriate requirements to help manage the District's taxing authority, debt and operation and maintenance of eligible infrastructure.

**\*Recommendation:**

Staff recommends the both Pima County and the Wildflower Community Facilities District approve the Development and Intergovernmental Agreement. Staff recommends that the Wildflower Community Facilities District order elections for the District's tax levy and debt authorization.

**\*Fiscal Impact:**

The fiscal impact to Pima County should net to zero. The County's costs to administer the District will be paid by the District and as a separate legal entity, the District, not the County, may tax and issue debt. The fiscal impact to the District should net to zero. The proceeds of any debt issued by the District will be used to pay for debt issuance costs and eligible infrastructure. The District should be able to tax sufficiently to repay any debt and pay for the district's operating and maintenance costs.
