11/16/21 Board of Supervisors Meeting

Please include the following comment on the addendum for the 11/16/21 Board of Supervisors Meeting. Thank you.

COUNTY ADMINISTRATOR

7. (Clerk's Note: All COVID-19 items and/or COVID-19 emergency items will be discussed under this agenda item.)

We know the media (both left and right) promote misinformation regarding Covid-19, the "science" is untested over time and, as individuals, we should make the decision for our own body.

The Board of Supervisors should not wade into the polarizing and political environment surrounding this issue, especially since it could potentially pressure individuals to act against their consciences.

It's time for the Board to get back to the basic tasks - open up meetings and start working toward a county that's healthy financially.
