**Pima County Board of Supervisors' Emergency Meeting  
130 W. Congress St., Hearing Room, 1st Fl.  
May 13, 2020 9:00 a.m.**

Pursuant to A.R.S. §38-431.02(J), the Chairman announced that the Board would discuss and take action on an item that was not included on the timely posted agenda, specifically the County's policy regarding whether County employees would be allowed or asked to continue to telework for the time being and the development of appropriate phased plans for bringing workers back in to County offices. This was necessitated by Governor Ducey's issuance of Executive Order 2020-36, which stated an employee should be encouraged to continue telecommuting during phase one of the State's efforts to reopen.
