Title: Comfort Canine Program
The Pima County Sheriff's Department is introducing two new canine corrections officers, Luke and Leia. The pooches will be part of the department's Comfort Canine Program, a part of its Crisis Response Canine Program. These dogs will be deployed to assist the department's Mental Health Support Team, and other units as appropriate, when they are responding to traumatic events. The pooches are calming and help with communications during these events. (District 5)
