**Title:** Hearing - Redistricting Advisory Committee Recommendation and Board of Supervisors Approval of New Districts  
Staff recommends the Board adopt new districts before June 1, so that the voter registration database can be finalized for the upcoming election cycle. While there is not an election for the Board of Supervisors until 2024, two of the Pima Community College Governing Board members' terms expire this year and elections for those seats will be held this election cycle (for Districts 2 and 4). The Pima Community College Governing Board districts are aligned with the supervisorial districts, and will therefore be impacted by this redistricting.
