Title: Affordable Housing
Discussion/Direction/Action. A presentation of Pima County experts to the Pima County Affordable Housing Task Force recently identified nine county-owned parcels that could be used for affordable housing. The presenters said the county owns many other parcels that have potential use for affordable housing, but they have not been identified and inventoried. Pima County staff should be directed to compile a complete inventory of surplus county-owned parcels and buildings that could be used for development of affordable housing. (District 5)
