In-Lieu Fee Enabling Instrument

A. In-Lieu Fee Enabling Instrument Program

Staff recommends approval of the Enabling Instrument Program between the U.S. Army Corps of Engineers (USACE) to allow the Pima County Flood Control District (PCFCD) to establish an In-Lieu Fee Program (ILF Program) to provide compensatory mitigation of unavoidable impacts to Waters of the United States (WOTUS), which result from activities authorized by the USACE. The Enabling Instrument establishes guidelines, responsibilities and standards for the development, implementation, use, operation and maintenance of the ILF Program.
