### **Health Department Funding**

Discussion/Direction/Action: Directing the County Administrator and County staff to allocate an additional \$6 million in General Fund revenues to the FY23 Budget for the Pima County Health Department, with an eye toward additional increases in the Department's base funding in future years. As the Health Department leads us out of the pandemic and toward greater community health and wellbeing, we must ensure it has the dedicated personnel and other resources needed to accomplish its long-term goals.
