### 2022 Elections

Discussion/Direction/Action regarding the compilation of an After-Action Report by the Pima County Elections Director and Recorder for the 2022 General Election as well as the new voting system implemented for the 2022 Elections including, but not limited to, the following areas of concern:

- Poll worker selection and training process.
- The October 21, 2022 Elections Integrity Commission agenda item entitled "Derogatory Correspondence" and its relationship to the Department of Justice announcement of 11/7/22 that it would be monitoring compliance with federal voting rights laws in Pima County for the 11/8/22 General Election.
- Cost savings realized by switching to the ePoll book/Vote Center model vs. those projected. (District 4)
