Subject: P23CA00004 Vickery - S. Old Spanish Trail Plan Amendment

I am firmly against this proposed plan amendment. It appears to ignore the performance standards of the Boundary Overlay off the Saguaro National Park - Rincon District and natural habitat throughways requirements for the area. By allowing a development density minimum of four times the current allowance and up to 33 times the current allowance would be contrary to the zoning standards intended to protect the natural beauty and wildlife in the area.

Sincerely
Karl S. Bosworth
