1.9. **Seller's Address:** Manuel Juan Kin-Bayne, 3950 W Potvin Ln, Tucson, AZ

85742.

1.10. **Buyer's Address:** Director, Pima County Real Property Services, 201 N Stone Ave, 6th Floor, Tucson, AZ 85701-1207; E-mail: jeffrey.teplitsky@pima.gov

2. **Parties; Effective Date.** This Agreement is entered into between Seller and Buyer, and shall be effective on the Effective Date. Seller and Buyer are collectively referred to herein as the "**Parties**," and individually as a "**Party**."

3. **Purchase of Fee Property; Right of Entry; Driveways.** Buyer agrees to acquire from Seller, and Seller agrees to convey to Buyer, in consideration of the Purchase Price, the following real property interests:

3.1. Seller's fee interest in the Fee Property;

3.2. The right for Buyer, its agents and contractors, to enter upon the Fee Property (the "**ROE**") prior to Closing to inspect and to conduct other non-ground-disturbing activities, provided that such activities do not unduly disturb Seller's use of its property;

3.3. The right, if necessary, to adjust the driveway grades on the Fee Property to match the grade of County improvements.

4. **Seller's Warranties**

4.1. **Leases.** Seller warrants that there are no oral or written leases on all or any portion of the Fee Property.

4.1. **Wells and Water Rights.** Seller warrants that there are no wells on, or water rights associated with the Fee Property, except as specifically identified on **Exhibit C** attached. Seller agrees to assign and transfer to Buyer effective upon Closing, any and all wells or water rights certificated or claimed appurtenant to the Fee Property. Seller shall execute all documents reasonably necessary to effectuate such transfer.

4.2. **Underground Improvements.** Seller warrants that there are no septic tanks, septic or leach fields, alternative waste disposal systems, private irrigation lines, and/or other underground improvements on the Fee Property, except as specifically identified on **Exhibit D** attached.

5. **Closing Costs and Prorations.**

5.1. Closing Costs. The closing costs ("**Closing Costs**") will be paid as follows:

5.1.1. All escrow fees shall be equally divided between Seller and Buyer. Recording fees shall be paid by Buyer.

5.1.2. Seller will pay for a Standard Owner's Title Insurance Policy for the Fee Property, in the amount of the Purchase Price. In the event Buyer desires an Extended Owners Title Policy, or any specific endorsements to the Standard Owner's Title Insurance Policy, Seller will pay that portion of the premium allocable to a Standard Owner's Title Insurance Policy, and Buyer will pay that portion of the premium allocable to the additional coverage.

5.1.3. Seller will pay for any necessary releases and/or the cost to establish free and clear marketable title to the Fee Property.

5.1.4. Buyer may, at its sole discretion, pay other reasonable fees or costs related to the Closing.

5.2. Prorations. Property taxes, rents, and annual payment of assessments with interest, if any (collectively "**Prorations**") will be prorated as of the date of Closing.

5.3. Partial Take. If Seller's entire owned parcel (the "Larger Parcel") is larger than the Fee Property, then the proration of taxes will be for the portion of taxes assessed against Seller's entire parcel that is attributable to the Fee Property. Seller will pay in full the property tax and any unpaid assessments on the Larger Parcel for the calendar year in which the Closing occurs, before becoming delinquent. Seller will hold Buyer harmless from any damages resulting from Seller's failure to pay all such amounts due. If Seller fails to pay in full the property tax due for the Larger Parcel for the calendar year in which the Closing occurs, Seller hereby consents to County recording a notice of lien against the Larger Parcel, and County will record a release of lien upon payment in full of the tax due. The lien will be enforceable as if the lien were a mortgage.

5.4. Buyer's Total Costs. Buyer's total costs at Closing shall not exceed Buyer's Maximum Cost, provided, however, that Buyer may unilaterally increase Buyer's Maximum Cost by written notice from Buyer to Seller prior to Closing.

6. **Escrow and Title.**

6.1. Escrow. Title Company will act as escrow agent. This Agreement will constitute escrow instructions in connection with the escrow established with Title Company under this Agreement (the "**Escrow**"). Title Company will make reasonably suitable arrangements with either Party, upon that Party's request, to have the Party execute any of the documents to be executed by that Party as provided in this Agreement at the office of Title Company that is most convenient for Buyer.

6.2. Title Commitment. Escrow Agent will distribute to the Parties a Commitment for Standard Owner's Title Insurance (the "**Commitment**") together with complete and legible copies of all documents that will remain as exceptions to Buyer's policy of title insurance.

6.3. Amended Commitment. In the event Title Company should issue an Amended Commitment for Title Insurance which discloses an exception(s) not previously disclosed, Buyer shall have 15 days after the receipt of the Amended Commitment and the new Exceptions (the "**Disapproval Period**") within which to notify Seller and the Escrow Agent in writing of Buyer's disapproval of any new exceptions shown thereon (the "**Disapproval Notice**"). In the event of such disapproval, Seller shall have 10 days from receipt of the Disapproval Notice in which to notify Buyer in writing whether Seller intends to eliminate each of the disapproved Exceptions prior to the Closing (the "**Notice Period**"). If Seller fails to notify Buyer of its intent with respect to the disapproved items within that time or if Seller elects not to cure all disapproved items, Buyer may terminate this Agreement and the Escrow will be canceled. If the Amended Commitment is issued less than 15 days prior to the date of the Closing, then the date of the Closing is extended until the end of the Disapproval Period and the Notice Period, if applicable.

6.4. Title Policy is Condition to Closing. Buyer's obligation to Close is contingent upon Title Company being prepared to issue a Standard Owner's Title Insurance Policy for the Fee Property in the amount of the Purchase Price, subject only to the Approved Exceptions and the standard printed exceptions in the policy; provided, however, notwithstanding the approval of the exceptions by Buyer, prior to Closing all monetary liens and encumbrances on the Fee Property will be removed, unless this Agreement expressly provides for the prorating of any such lien or encumbrance.

6.5. Seller's Title Obligation. Seller is hereby obligated to provide Buyer free and clear marketable title subject only to the Buyer's Approved Exceptions. Seller shall cause all exceptions to title not approved by Buyer to be removed prior to Closing.

7. **Closing.**

7.1. **Closing Date.** The Closing of the sale of the Fee Property to Buyer (the "Closing") will take place at the office of Title Company on or before 120 days after the Effective Date, provided however, that Buyer may extend the Closing until 30 days after receipt of all necessary releases from Lienholders. Notwithstanding the foregoing, this Agreement will terminate if closing has not occurred within 1 year after execution by Buyer.

7.2. **Deliveries by Buyer at Closing.** At Closing, Buyer shall deliver to Seller through Escrow the following:

7.2.1. The Purchase Price, which will be paid in full at Closing payable to Title Company by Buyer's wire; and

7.2.2. Such additional documents as Seller or Escrow Agent may reasonably require to effectuate the purchase.

7.3. **Deliveries by Seller at Closing.** At Closing, Seller shall deliver to Buyer through Escrow the following:

7.3.1. An executed Warranty Deed in the form of **Exhibit E**, conveying fee simple title to the Fee Property;

7.3.2. One or more assignments of all the water rights and well registrations certificated or claimed in which Seller has an interest and appurtenant to the Property, if any, and all certificated or claimed Grandfathered Type 2 water rights, if any; and

7.3.3. Such additional documents as Buyer or Escrow Agent may reasonably require to effectuate the Purchase.

7.4. **Delivery of Possession.** Seller shall deliver possession of the Fee Property to Buyer at Closing.

7.5. **Security Interests.** Monies payable under this Agreement may be due to holders (the "Lienholders") of certain notes secured by mortgages or deeds of trust, up to and including the total amount of unpaid principal, interest and penalty on the notes, if any, and will, upon demand by the Lienholders, be paid to the Lienholders. Seller shall obtain from the Lienholders releases for any fee transfer.

8. Seller's Covenants.

8.1. No Personal Property. No personal property is being transferred pursuant to this Agreement. Seller represents that as of Closing there will be no personal property located on the Fee Property.

8.2. No Salvage. Seller shall not salvage or remove any fixtures, improvements, or vegetation from the Fee Property, but this does not prohibit Seller from removing personal property prior to the Closing. In addition, prior to Closing, the Fee Property will not be materially degraded or otherwise materially changed in any aspect by Seller.

8.3. Risk of Loss for Damage to Improvements. Seller bears the risk of loss or damage to the Fee Property prior to Closing. After Closing, the risk of loss or damage to the Fee Property rests with Buyer.

8.4. Government Approvals. Seller shall obtain all government approvals required to close the sale of the Fee Property, if any.

8.5. Use of Fee Property by Seller. Seller shall, prior to the Closing, use the Fee Property on a basis substantially comparable to Seller's historical use thereof. Seller shall maintain the Fee Property in substantially the same condition as it is presently in, ordinary wear and tear excepted, and without liens or encumbrances that Seller will be able to cause to be released before the Closing.

8.6. No Encumbrances. Seller shall not encumber the Fee Property with any lien that Seller will be unable to cause to be released before Closing, and Seller shall not be entitled to sell or exchange all or any portion of the Fee Property before Closing without the prior written approval of Buyer; provided, however, that any such sale will be conditioned upon a written assumption by Buyer thereof of the obligations of Seller under this Agreement, and there will be no novation of Seller with respect to its obligations under this Agreement. From and after the Effective Date through the Closing, Seller will not enter into, execute or record any covenant, deed restriction, or any other encumbrance against the Fee Property. The recording of any such covenant, deed restriction, or other encumbrance, is a material breach of this Agreement and entitles Buyer to terminate this Agreement.

8.7. Reports. Seller shall make available to Buyer all documents relating to the Property that it has in its possession regarding the Property, including any and all surveys, information regarding wells and water rights, and environmental reports.

9. **Environmental.**

9.1. Environmental Representations. Buyer and Seller agree that neither party is assuming any obligation of the other party relating to any potential liability, if any, arising from the environmental condition of the Fee Property, each party remaining responsible for its obligations as set forth by law. Seller represents and warrants that, to the best of Seller's knowledge, no pollutants, contaminants, toxic or hazardous substances, wastes or materials have been stored, used or are located on the Fee Property or within any surface or subsurface waters thereof; that no underground tanks have been located on the Fee Property; that the Fee Property is in compliance with all Federal, state and local environmental laws, regulations and ordinances; and that no legal action of any kind has been commenced or threatened with respect to the Fee Property.

9.2. Environmental Inspection Rights.

9.2.1. From and after the Effective Date, Seller shall permit Buyer to conduct such inspections of the Fee Property as the Buyer deems necessary to determine the environmental condition of the Fee Property. If any environmental inspection recommends further testing or inspection, the Parties hereby agree to extend the date of Closing to at least 30 days after the report for such additional testing or inspection is completed on behalf of Buyer, but not later than an additional 180 day extension.

9.2.2. If any environmental inspection reveals the presence of contamination or the need to conduct an environmental cleanup, Buyer shall provide written notice to Seller, prior to Closing, of any items disapproved by Buyer as a result of Buyer's inspection (the "**Objection Notice**"). If Buyer sends an Objection Notice, Seller may, within 5 business days of receipt of the Objection Notice, notify Buyer if Seller is willing to cure any of the items to which Buyer objected (the "**Cure Notice**"). If Seller elects not to send Buyer a Cure Notice or if Seller's Cure Notice is not acceptable to Buyer, then Buyer may elect to terminate this Agreement, in which case the Agreement will be terminated and of no further force and effect.

10. **Broker's Commission.** No broker or finder has been used and Buyer owes no brokerage or finders fees related to this Agreement. Seller has sole responsibility to pay all brokerage or finders fees to any agent employed.

11. **Default, Remedies, and Conditions Precedent.** In the event either Party defaults under this Agreement, the other Party shall be entitled to pursue all rights and remedies available at law or in equity, including specific performance. To the extent a Party seeks

damages, the recovery is limited to actual damages (including any losses or penalties suffered by Buyer as a result of any violation of federal arbitration violations caused by a wrongful failure of Seller to perform). Neither Party is entitled to exemplary, punitive, special, indirect or consequential damages.

12. **Exhibits.** The following Exhibits are fully incorporated herein as if set forth at length. To the extent that any Exhibits to this Agreement are not available at the execution thereof, they will be added by the Parties prior to Closing and will be in form and substance reasonably satisfactory to the Parties.

As part of the proposed acquisition of the above-referenced parcel(s), Pima County may also be acquiring some or all of Seller's wells, groundwater and/or surface water rights. The purpose of this questionnaire is for Seller to disclose all information of which Seller is or may be aware, pertaining to Seller's interest in wells and water rights, as well as the current status of those wells and water rights. Each of the questions set forth below should be carefully answered, to the best of Seller's knowledge and information, *by supplying the information requested in the grid which follows each section*. If more space is needed to answer, clarify, or explain one or more questions, please use additional sheets.

(3.) For each well listed in question #1 above, list that well's current operational status, for example, "fully operational", "no longer in use", "capped" or "legally abandoned".
