Project Title / Description: Pima CARES

Purpose: The third amendment to the Pima CARES project provides \$195,702.29 in additional funding for the current contract term. The primary objective of this project is to prevent overdoses in Pima County. The University of Arizona (UA) Comprehensive Pain and Addiction Center (CPAC) will work with the Pima County Health Department's (PCHD) Community Mental Health and Addiction (CMHA) team to provide an interdisciplinary and comprehensive approach to address pain and substance use in clinical settings for healthcare providers and Emergency Medical Technicians.

Procurement Method: Subrecipient Agreements: This Subrecipient Agreement is a non-Procurement contract and not subject to Procurement rules.

Procurement Method Additional Info: N/A

Program Goals/Predicted Outcomes:

- Conduct four types of needs assessments to inform Continuing Medical Education/Continuing Education (CME/CE) content.
- Develop a total of 30 certified CME/CE hours offered as live activities with three contact hours each.
- Improve medical provider knowledge and use of medication for opioid use disorder.

Public Benefit and Impact: Increase in provider awareness of approaches to reduce the incidence of death resulting from overdose in Pima County. The increase in awareness will result from the development of trainings for medical providers.
