RE: Extension request for grant 2025-SEDC-007

Dear Mr. Torrez,

The Pima County Sheriff's Department (PCSD) received a GOHS grant to purchase printers and accessories for deputies to use in conjunction with the TraCs citation and crash reporting software. This was from Grant 2025-SEDC-007.

We encountered greater than expected lead times on the equipment after completing the lengthy Pima County procurement and Information Technology process. The items could not be delivered and paid for before the grant end date of January 31, 2026. We are therefore requesting an extension of six (6) months to this grant.

Thank you for supporting the Pima County Sheriff's Department and the citizens of Pima County.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Nanos".
