Award Type:	Agenda Item
BOSAIR Activity:	Board Meeting Request
Requested Board Meeting Date:	08/25/2026
Project Title / Description:	Cancelation of Green Valley Domestic Water Improvement District Election

Agenda Item Report

Introduction / Background:	A.R.S. §16-410 allows that if the number of persons who file nomination petitions plus the number of persons who file write-in affidavits is less than or equal to the number of positions to be filled for a water district election, the Board of Supervisors may cancel the election and appoint the person or persons to fill the position for the term of office for which the candidate was nominated.
Discussion:	The Green Valley Domestic Water Improvement District has four positions on the Board of Directors to be filled at the November 3, 2026, General Election. Four or fewer candidates have filed nomination petitions or write-in affidavits for these positions. Pursuant to A.R.S. §16-410 and A.R.S. § 48-1012(E), the district meets the requirements to cancel the election by resolution and appoint the persons who filed.
Conclusion:	If the Board cancels the election, the Green Valley Domestic Water Improvement District will not incur the expense of conducting an uncontested election. A candidate who has filed nomination petitions or a write-in affidavit for a position on the Board of Directors will be appointed by the Board of Supervisors and will have the same powers and duties as if elected. If no nomination petitions or write-in affidavits have been filed, the position will be deemed vacant.
Recommendation:	The Elections Department recommends canceling the uncontested Green Valley Domestic Water Improvement District Election for the November 3, 2026, General Election.
Fiscal Impact:	The County will not incur the cost of conducting an uncontested election.
