This Intergovernmental Agreement (IGA) is by and among TOWN OF SAHUARITA OF PIMA COUNTY, ARIZONA, a municipal subdivision of the State of Arizona (“the Town”) and PIMA COUNTY, a political subdivision of the State of Arizona (“the County”), on behalf of the PIMA COUNTY ELECTIONS DEPARTMENT (the “Elections Department”).

WHEREAS, the County of Pima has a comprehensive voting system and certified elections officials; and

WHEREAS, the Town of Sahuarita, an Arizona political subdivision pursuant to A.R.S. § 9-231 (A), seeks Pima County’s assistance in the preparation and conduct of the Town’s primary elections, general elections and special elections;

NOW, THEREFORE, IT IS AGREED by and between the County, on behalf of its Elections Department, and the Town, pursuant to A.R.S. §§ 16-205(C), 16-172, 16-405 *et seq.*, 16-450, 11-251(3), and 11-951, *et seq.*, as follows:

1. **Purpose.** The purpose of this IGA is to provide election services to the Town for the Town’s primary elections, general elections and special elections.
2. **County Obligations.** County shall:
 - A. Provide election services at the applicable cost set forth in Pima County Fee Ordinance 2025-26, which is attached hereto as Exhibit A, or subsequent ordinance amending the Pima County Elections Department Fee Schedule.
 - B. Provide final ballot formats to the Town, including Spanish language translations, no later than 55 days prior to each election. Upon written notice of a need for a change to the ballot format approved by the Town, the Elections Department shall, if possible, arrange for the corrections to be made by the vendor. The Elections Department will inform the Town of any additional charges incurred.
 - C. Prepare and deliver an electronic copy of the canvass to the Town according to the statutory deadlines outlined in A.R.S. § 16-642. An example of the canvass formatting is attached hereto as Exhibit B.
 - D. Prepare and deliver an invoice to the Town from the Elections Department for election costs pursuant to this IGA, within forty-five (45) days after the date of each election. The invoice will be based on the level of service.
 - E. Assure that all polling locations (if used) comply with the Americans with Disabilities Act by using the ADA Checklist for Polling Places (2016) published by the U.S. Department of Justice.
 - F. If an automatic recount is required pursuant to A.R.S. § 16-661 for a Town race and no other races within the County are subject to a recount, the County shall:

1. Post the notice for logic and accuracy testing no later than 24 hours after the Town's official canvass but agrees to work in good faith with the Town to attempt to post the logic and accuracy notice prior to the canvass to arrange for testing to begin promptly after the canvass.
 2. Begin tabulation of the recounted race(s) immediately following the successful passage of the logic and accuracy test of the electronic voting systems and must tabulate each business day until the recount is completed unless an equipment or system malfunction prevents tabulation. If the Town requests, and/or the County desires, to work on a weekend or holiday to complete the recount, it will require written approval from both Parties and a clear statement of additional costs that may be incurred prior to the County working on weekends or legal holidays.
 3. When tabulation begins, provide daily reports to the Town Clerk about the general progress of the recount and estimated time for completion of tabulation and required reports.
 4. Immediately notify the Town of any concerns or issues that arise with the recount.
 5. Provide the sealed recount results to the Town Clerk no later than 10 calendar days after the Town's official canvass.
- G. If an automatic recount is required pursuant to A.R.S. § 16-661 for other races within the County, as well as a Town race, the County shall coordinate with the Town on jointly filing a recount petition with the court to conduct the recount in accordance with state law and the State Elections Procedures Manual.

The final certified copy of the ballot issue will be provided in an electronic format (Microsoft Word).
- C. Review and provide signed approval of the camera-ready ballot formats provided by the Elections Department no more than two (2) business days after receipt. The Town must notify the Elections Department, in writing, of any required changes after the ballot format has been approved.
- D. Be responsible for the preparation and distribution of publicity pamphlets for Town ballot measures, including, but not limited to, any requisite translation, printing and mailing.
- E. Pay any and all charges for printing of Town publicity pamphlet by commercial means directly to the commercial vendor providing such services.
- F. Arrange for and publish any and all notices of each Town election as required by law.
- G. Prepare and timely submit any reports required under A.R.S. § 16-409(B).
- H. Should the Town election be challenged or questioned for any reason whatsoever, the Town shall be responsible for defense. This duty shall survive the expiration of the IGA,

provided that County shall cooperate with Town in making relevant information and witnesses available upon reasonable request.

- I. Within thirty (30) days of date of the invoice, Town shall reimburse County, in full, for invoiced costs of election at the rates set forth in Exhibit A.
 - J. The Town will, within thirty (30) days of the date of the invoice, pay the Elections Department the actual costs for any changes to ballots incurred by the Elections Department necessitated by an error or omission by the Town.
 - K. Any amount invoiced by the County that is not paid thirty (30) days from the date of the invoice shall accrue interest at the rate of ten percent (10%) per annum until paid. The Town expressly acknowledges and agrees that the payments required to be made hereunder constitute valid, binding obligations and authorized debt of the Town.
 - L. If an automatic recount is required pursuant to A.R.S. § 16-661 for a Town race and no other races within the County are subject to a recount, the Town shall:
 - 1. Notify the County if a recount is required within 48 hours of receiving the final unofficial election results from the County.

17. **Resolution of Conflicting Needs.** In the event conflict arises between the County and the Town over the use of voting equipment, vote tallying equipment, or County elections personnel, County
