- 1.2. Purpose. The Pima County Information Technology Department requires HP Computer Hardware, Peripherals, and Related Services.
- 1.3. Authority. County is authorized by Pima County Code § 11.24.010 and A.R.S. § 41-2632 to enter into cooperative purchasing arrangements. The County has entered into such an agreement with State of Arizona (Pima County contract no. Arizona State Purchasing Cooperative Agreement).
- 1.4. Contract.

  - 1.4.2. Section 1.7 of the State of Arizona Contract provides that another governmental entity with which State of Arizona has a cooperative purchasing agreement may, with Contractor's approval, purchase products and services at the same prices and under the same terms as in the State of Arizona Contract.

**2. Term.**

- 2.1. Initial Term. This Contract commences on May 21, 2024 and will terminate on June 30, 2025 (the "Initial Term"). "Term," when used in this Contract, means the Initial Term plus any exercised extension options under Section 2.2. If the commencement date of the Initial Term is before the signature date of the last party to execute this Contract, the parties will, for all purposes, deem the Contract to have been in effect as of the commencement date.

then upon demand. Contractor must comply with all requirements and specifications in the State of Arizona Contract, except where altered by this Contract.

3.1. Order of Precedence. All products and services provided under this Contract are subject to the terms of the following documents. This indemnity includes any claim or amount arising or recovered under the

Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Indemnitee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. **15. Full and Complete Performance.** The failure of either party to insist, in one or more instances, upon the other party's complete and satisfactory performance under this Contract, or to take any action based on the other party's failure to completely and satisfactorily perform, is not a waiver of that party's right to insist upon complete and satisfactory performance, or compliance with any other covenant or condition in this Contract, either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.

In the event a public-records request is submitted to County for records marked CONFIDENTIAL, County will notify Contractor of the request as soon as reasonably possible.
