Dear Members of the Pima County Board of Supervisors,

I am writing as a voter of Pima County to respectfully urge you to appoint Sami Hamed as our next County Treasurer.

Mr. Hamed demonstrated a genuine commitment to public service by collecting the required signatures to qualify for the 2024 ballot and by participating in the primary election. While he did not ultimately win the nomination, he earned the support of thousands of voters, reflecting a meaningful level of public confidence in his candidacy.

In my view, these facts make Mr. Hamed the most democratic choice for this appointment. He has already gone through the process of presenting himself to the public, meeting the legal requirements to appear on the ballot, and earning substantial support from county voters. That experience distinguishes him as someone who has demonstrated both a willingness to serve and an ability to gain the trust of a significant portion of the electorate. A trust that was broken by the previous office of county treasurer.

As you consider candidates to fill this important position, I respectfully ask that you give strong consideration to appointing Sami Hamed as County Treasurer. Doing so would recognize the voice of the thousands of voters who supported his candidacy and ensure that the appointment reflects an individual who has already demonstrated a commitment to serving the people of Pima County.

Thank you for your time, your consideration, and your service to our county.

Sincerely,

Dylan Hunter

A voter and citizen of Pima County.
