Project Title / Description: 2026 Primary Election - Early Ballot Drop-Off Sites & Emergency Voting Locations

Agenda Item Report

Introduction / Background: The Recorder's Office is responsible for managing the early voting process for all registered Pima County voters. The early voting process includes mailing early ballots, operating secure ballot drop-off sites before election day, and providing emergency voting locations. Per the 2025 Arizona Election Procedures Manual, Chapter 2 section I (H)(1), the Board of Supervisors must approve the proposed list of ballot drop-off sites when establishing multiple locations within a county. Furthermore, A.R.S §16-542 (H) and A.R.S. §16-411(8)(5) require that the Board of Supervisors approve the proposed Emergency Voting locations to accommodate voters unable to cast a ballot in person on July 21, 2026, Arizona's Primary Election Day. While the BOS need only approve Ballot Drop Off sites and Emergency Voting Sites, this agenda item will also cover Early Voting Sites. On February 9, 2024 Governor Hobbs signed HB2785 to address mandatory ballot curing periods.

Discussion: On May 26, 2026 resolution 2026-31 was approved by the Board of Supervisors to approve Ballot Drop Off Locations and Emergency Voting Sites. The amendment is being made to include two additional stand-alone Ballot Drop Boxes that will be in operation during the Arizona Primary Election.

The Arizona Primary Election is on Tuesday, July 21, 2026. The following are key points regarding this election:

1. There are five (5) recognized political parties in Pima County and the state of Arizona. Members of those parties will receive the ballot for their party's partisan races. Of those five (5) only Democratic and Republican Parties are holding open primaries. Voters registered as Independent or Party Not Designated are able to choose a ballot for one of those two parties.
2. Three (3) locations will be Early Voting sites for the duration of Early Voting and Emergency Voting from June 24 - July 18 and July 20 but will be closed on July 03. (See Exhibit A)
3. One (1) additional site will be available for Early Voting and Emergency Voting from July 06 – July 18 and July 20. (See Exhibit A)
4. Eleven (11) more sites will open for the final week of Early Voting and Emergency Voting from July 13 - July 18 and July 20. (See Exhibit A)
5. One (1) Mobile Voting Unit will be available for the final week of Early Voting and Emergency Voting from July 14, July 16 – July 18 and July 20.
6. All sites, including the Recorder's Eastside Office and Mobile Voting Unit, will be ballot return locations, otherwise known as ballot drop-off locations.
7. Election Day Vote Centers will be facilitated by the Pima County Elections Department.

Ballot Drop Off Locations:

The Pima County Recorder's Office anticipates mailing more than 466,000 Early Ballots to voters for the Primary Election. Although most voters return their ballots by mail, the Recorder's Office operates multiple Ballot Drop-off sites across Pima County, in accordance with the Arizona Elections Procedures Manual, Chapter 2 I. (I), which has the force of law. These Ballot Drop-off sites offer voters another method to return their ballots for processing. The Recorder's Office has operated ballot drop-off locations over multiple election cycles with great success. Historically, these sites receive thousands of ballots during Early Voting. The Early Ballot Drop-off sites see an extensive increase in the number of Ballot Drop offs the week before the election, when it is too late for voters to mail back their Early Ballots.

Recorder's Office personnel staff sixteen (16) ballot drop-off sites listed in Exhibit A. Site workers follow a strict chain of custody protocol for handling voted ballots, and extensive ballot security procedures to protect the integrity of the returned ballot.

The Pima County Recorder's Office has joined all other counties in Arizona and installed four (4) six (6) stand-alone Ballot Drop boxes that offer 24-hour access for voters dropping off ballots. These boxes have been installed at our Downtown and Eastside locations as well as the Sells Post Office and will have camera coverage throughout Early Voting. All Ballot Drop boxes comply with requirements laid out in the Elections Procedures Manual with regards to security and chain-of-custody procedures.

The following is attached as Exhibit A and Exhibit C to the resolution:

1. A list of all fifteen (16) Ballot Drop-off sites with their dates and the hours of operation
2. A list of the four (4) six (6) locations of the 24/7 Ballot Drop boxes and the dates of operation
3. Ballot Drop-off locations on Election Day, July 21, 2026.

Staffing:

The sixteen (16) sites that will issue ballots during Early and Emergency Voting are staffed with highly trained election officers. Recorder staff will verify every voter's identity before issuing an early ballot, then secure the ballot using the same chain-of-custody procedures for a returned mailed Early Ballot. These sites have been

vettted and are optimum for election operations, ensuring security and locations that meet community needs.

Emergency Voting:

To accommodate voters who experience an emergency that prevents them from voting in person on Election Day, before Election Day the Recorder's Office will convert all Early Voting Sites to Emergency Voting locations on Saturday, July 18, 2026, and Monday, July 20, 2026. The proposed locations and hours of operations for the Emergency Voting locations are attached as Exhibit A (Note: Hours with red borderlines fall outside the regular hours of 9 a.m.-3 p.m. for Emergency Voting).

To accommodate voters who are not accustomed to the separation between Early Voting and Election Day voting, our three (3) permanent offices and our four (4) six (6) Ballot Drop-Off Boxes will be accepting Early Ballots on Election Day. The locations are attached as Exhibit C. Attached as Exhibit B to the resolution is the statement a voter must sign at the site declaring an emergency. Voters will not be asked to disclose the nature of their emergency. Early Ballot drop-off is also permitted at the Emergency Voting locations.

Conclusion:

Voting is a fundamental right of all citizens. Creating equitable opportunities for all voters to participate is in the best interest of Pima County. Ballot drop-off sites offer many voters a secure, convenient way to return an Early Ballot directly to election officials or to vote in person if they choose. Emergency Voting locations ensure eligible voters are not disenfranchised from the voting process due to an emergency.

Recommendation:

The Pima County Recorder's Office recommends approval of the proposed ballot drop-off locations and Emergency Voting locations presented to the Board and further recommends the Board authorize the County Recorder to operate these locations to ensure the voters of Pima County have appropriate access to participate in the 2026 Primary Election.

Fiscal Impact:

There are no fees associated with properties owned by Pima County, Town of Sahuarita or any tribal locations. This is a budgeted expense reflected in the supplemental FY2025-26 Recorder Budget.

A RESOLUTION OF THE BOARD OF SUPERVISORS OF PIMA COUNTY, ARIZONA; RELATING TO ELECTIONS; APPROVING THE EARLY BALLOT DROP-OFF SITES AND AUTHORIZING EMERGENCY VOTING LOCATIONS FOR THE 2026 PRIMARY ELECTION

WHEREAS, a statewide primary election will be held on July 21, 2026, with early voting starting on June 24, 2026, where all eligible registered voters in Pima County are able to participate; and

WHEREAS, in conformity with the 2025 Arizona Elections Procedures Manual, Chapter 2, Sec. 1, (H)(1), the Pima County Board of Supervisors shall approve all early ballot-drop off locations operated by the Pima County Recorder's Office that provide voters additional options for returning a voted early mail ballot; and

WHEREAS, pursuant to Arizona Revised Statute §16-411(B)(5), the Legislature has given the authority to the Board of Supervisors to authorize the County Recorder to operate emergency voting locations as designated by the Board, to ensure citizens are still able to vote when extraordinary circumstances arise that prevent their ability to cast a ballot at a vote center on election day; and

WHEREAS, the Board of Supervisors has previously approved multiple early ballot drop-off locations and emergency voting locations throughout Pima County in prior election cycles.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF PIMA COUNTY, ARIZONA, AS FOLLOWS:

SECTION 1. The Pima County Recorder shall make available nineteen (19) early ballot drop-off locations and fifteen (15) emergency voting locations throughout Pima County listed in Exhibit A to this Resolution, incorporated by this reference, for the July 21, 2026, Primary Election.

SECTION 3. The Pima County Recorder shall require voters who vote at an emergency voting location during the designated emergency voting period to sign the statement of emergency attached hereto as Exhibit B to this Resolution. SECTION 4. The Pima County Recorder shall require in-person voters to provide a valid form of identification in accordance with A.R.S. § 16-579 or as otherwise provided by law.
